Principal

Fiordland College

Fantastic Opportunity – Fantastic Location

We are looking for an inspirational and innovative leader to appoint as the next Principal of Fiordland College.

We are a Decile 8, Year 7-13 co-educational school with a roll of 216, stunningly located on the edge of Fiordland National Park. A key element of our strategic vision is to incorporate our unique location in the delivery of our educational and environmental programmes.

We pride ourselves on strong academic achievement and high rates of participation in a wide range of sporting and co-curricular activities. We have Bronze Enviroschool status and are actively involved in the Kids Restore the Kepler Project.

We seek a Principal who brings professional leadership and educational vision to our school. We want to build on our high academic standards while offering a range of other work-based programmes and co-curricular opportunities.

Our new Principal should be able to demonstrate:

- A commitment to the delivery of an excellent and innovative educational experience for every student;
- Proven leadership and managerial skills that inspire, motivate and develop students and staff;
- Effective communication and relationship-building skills and
- Strong administrative and financial expertise.

The person we seek will have:

- A clear vision of what is required to make a successful school;
- A comprehensive understanding of successful education in New Zealand;
- A genuine empathy for, and a willingness to engage with, our local community and
- Appropriate academic qualifications and managerial experience.

We seek an exceptional person to lead our team and further enhance the fine reputation of our College.

The position is expected to commence Term 2 2012
Eligible for High Priority Principals' Allowance and Removal Expenses

Application Pack available on request from:
Sue Walker, Board Secretary, Fiordland College, P O Box 23, Te Anau 9640
